Class Descriptions

Aqua Aerobics

Splash into this low impact cardio and conditioning class. Instructors use the latest aqua-based techniques to provide a high-energy workout that is easy on the joints. Barbells and noodles are also used for upper body and core training. Classes are appropriate for multiple fitness levels and are held in the Lap Pool.

Aqua Arthritis

Arthritis Foundation Aquatic Program classes will help you to increase joint range of motion, build muscle strength and help reduce pain and stiffness. Classes are held in the warm water therapy pool; sessions are 16 weeks long and enrollment is required.

Aqua Yoga

Yoga in the water is an exciting way to begin or continue your yoga practice. The feeling of weightlessness in the water takes the stress out of challenged joints and stabilizes them to free muscular tightness or discomfort. A practice of mostly standing postures (head stays above water) are presented with props and modifications, making the practice of yoga accessible to EVERY BODY. Both beginning and experienced yogis are welcome.

Ai Chi

This class is similar to Tai Chi but performed in the warm water therapy pool. Learn to move through a flowing progression of slow, broad movements using your arms, legs and torso. Improve range of motion and mobility, and experience the deep relaxation that promotes sleep.

Fibro

This class is designed specifically for participants who suffer from fibromyalgia. Classes are held in the warm water therapy pool.

Triathlon Training Group

Challenging and fun workouts include a detailed daily workout program that will leave you well-prepared for your next triathlon! Registration and fee apply.
